

Underwater archaeological sites and museums

Warning:

Diving at the sites is allowed only with a written permit of Conservation office in charge or in the organization of a local diving club with a license from Ministry of culture of Croatia. Individual diving at archaeological sites in Croatia is strictly forbidden.

Information:

Ministry of culture of Croatia has renewed the license grants to diving clubs for period 2008-2014. More information on web pages of Ministry of culture of Croatia [[link](#)]
